Lucknow Follow up

Students along with their parents gathered for the one day follow-up.

After successfully hosting the Lucknow Youth Conference, the Fellows decided to go back and reconnect with the students of Sarthak Foundation and Study Hall Educational Foundation. During the course of the Lucknow Youth Conference, the team felt that the social issues faced by the students were not addressed, this follow-up was a successful attempt in doing that. Following this Quiet Time thought, on the day of 27 March, Let's Make A Difference organized a one day follow-up with close to 300 participants and their parents.

Flag Foundation of India

On 6 March 2022, the team of Fellows came across an opportunity to interact with Former Major General Ashim Kohli who is the current CEO of the Flag Foundation of India. After a healthy interaction, it was decided that the Flag Foundation of India and LMAD would collaborate to distribute flag lapel pins to all the participants in the various LMAD conferences. This small token of respect for our flag would go a long way in achieving the national pride that LMAD aspires to have in each and every citizen.
